

The Creston Neighborhood Association's Living Green in
Creston Committee Presents

Riverside Tree Walk

Saturday, February 19 from 10:30 to 12:00

Come join CNA's Living Green Committee in a guided tour of Riverside Park to identify the different species of trees and learn more about the urban forest. The hike will be guided by Vic Foerster, a certified arborist and author.

We will be meeting at the Guild St. Pavilion at Riverside Park, weather permitting.

VIC FOERSTER :

Mr. Vic Foerster is a consulting arborist for West Michigan Tree Services and has served tree care clients in West Michigan for over 34 years. A graduate of Michigan Tech, a Certified Arborist, and one of only seven Members of the American Society of Consulting Arborists in the state of Michigan, he is past Chairman of the Michigan Urban & Community Forestry Advisory Council and sits on the City of Grand Rapids Urban Forestry Advisory Council. He is author of *Naked in the Stream*, *Isle Royale Stories*, and has written several articles on how to properly care for trees. He is a longtime advocate for that most over-looked plant in the landscape ... TREES!
