a fundraiser for

Art Bash for Creston 2023

In 2023, building upon the tremendous success of the previous year, the Creston Neighborhood Association proudly presents Art Bash for Creston 2023. Since 2006, the Creston Neighborhood Association has brought community members and artists together for this unique event.

Art Bash showcases live art creations by local artists, culminating in a live auction of all the artwork produced during the event. The night also includes a silent auction & music all night spun by Part-Time Records. The funds raised from tonight's event play a crucial role in supporting CNA's mission to serve the Creston neighborhood and empower our diverse community so that all neighbors thrive.

"Art Bash is one of my favorite events of the year. It is a fun evening, where friends and neighbors gather to support their neighborhood, all while observing talented artists create masterpieces. The best part is having the opportunity to purchase a piece of art created by an individual who shares your love for your community."

- Mayoral Rosalynn Bliss

THE VENUE

Art Bash is returning to the beautiful Golden Age, located on the second floor of Creston Brewery.

Owned and operated by Saugatuck Brewing, this space can accommodate 175 in the main room or 25 in their small room.
